## What's happening in the Yellingbo Conservation Area

### The Conservation Area Plan

The Yellingbo Conservation Area Coordinating Committee (YCACC) are working together with our agency partners, key stakeholders and the community to formulate a Conservation Area Plan for the area currently referred to as the [Yellingbo Conservation Area](#).

### What is the Process?

To view the process for developing the Conservation Area Plan click [here](#).

### Re-naming

The Conservation Area has been widely referred to as the Yellingbo Conservation Area but it is important to note that it extends much further than the existing Yellingbo Nature Conservation Reserve and the township of Yellingbo. The YCA will be renamed after community feedback during the second round of community consultations.

### Have Your Say

The Department of Environment, Land, Water and Planning (DELWP) are hosting an online information portal for the Conservation Area Plan on the Engage Victoria website.

Everyone who has an interest in the Conservation Area is invited to participate in a survey to assist with future planning.

You will find the survey on the [Engage Victoria](#) website.
